

You're Invited!

to

Community Bug **SQUASH**athon

Newcomers Welcome!

What

Join us for free virtual pizza and hugs as we squash some bugs! The goal is to reduce the number of open bug tickets, by resolving the issues.

This month's target repository is github.com/rakudo/rakudo

Open tickets can be seen on fail.rakudo.party

When

Saturday, October 7, 2017, in any time zone (no exact time is dictated)

Where

#perl6 channel on irc.freenode.net

You can join by visiting <https://webchat.freenode.net/?channels=#perl6>

How

We'll provide some tutorials for how to contribute during the SQUASHathon, plus there will be live humans to answer questions. All skill-levels welcome!
