

Perl 6  
resources

## Download

Rakudo Star Perl 6 distribution

[perl6.org/download](http://perl6.org/download)

## Introductory material

Perl 6 Introduction

[perl6intro.com](http://perl6intro.com)

Language tutorials

[docs.perl6.org/language.html](http://docs.perl6.org/language.html)

Learn X in Y minutes

[learnxinyminutes.com/docs/perl6/](http://learnxinyminutes.com/docs/perl6/)

## Books

Helpful selection chart

[perl6book.com](http://perl6book.com)

## Practice Online

Perl 6 track on Exercism

[exercism.io/languages/perl6](http://exercism.io/languages/perl6)

Online Perl 6 REPL

[glot.io/new/perl6](http://glot.io/new/perl6)

## Blogs and Presentations

Perl 6 Weekly

[p6weekly.wordpress.com](http://p6weekly.wordpress.com)

Perl 6 tutorial blog posts

[perl6.party](http://perl6.party)

Perl 6 Blog Aggregator

[pl6anet.org](http://pl6anet.org)

Presentations by

Jonathan Worthington

[jnthn.net/articles.shtml](http://jnthn.net/articles.shtml)

## More Resources

See our full list of resources

[perl6.org/resources](http://perl6.org/resources)

## Live People

If you're stuck and don't understand something, simply join our IRC chat and just ask:

[perl6.org/irc](http://perl6.org/irc)

## Social Media

[twitter.com/perl6org](https://twitter.com/perl6org)

[facebook.com/groups/perl6](https://facebook.com/groups/perl6)

[reddit.com/r/perl6](https://reddit.com/r/perl6)

[stackoverflow.com/tags/perl6](https://stackoverflow.com/tags/perl6)

## Mailing List

[perl6-users-subscribe@perl.org](mailto:perl6-users-subscribe@perl.org)

(send email to subscribe to mailing list)

## GitHub

Perl 6 GitHub Org

[github.com/perl6](https://github.com/perl6)

Rakudo Perl 6 compiler repository

[github.com/rakudo/rakudo](https://github.com/rakudo/rakudo)

Build Rakudo from source

[github.com/zoffixznet/r](https://github.com/zoffixznet/r)

## Contribute

Monthly Bug SQUASHathon

[bit.ly/2v5sDEV](https://bit.ly/2v5sDEV)

Open Issues
